

Hillside Volunteer Opportunities

“Invest in your child, your community and make a difference!”

Hillside PTA sponsors 40 standing committees that offer a host of volunteer Opportunities. Every Hillside Elementary PTA committee is lead by a Chair or co-Chair.

The committees rely on the help of many volunteers.

These talented volunteers (YOU!) comprise the driving force of the PTA and all the wonderful things we are able to accomplish within our school. Please evaluate the options below and put a check by any/all you would be interested in helping with.
