VOLUNTEER AT-HOME HOURS LOG

MAKE YOUR VOLUNTEER HOURS COUNT!!

Do you spend time at home making phones, planning parties/events, creating documents, preparing crafts, etc. for Hillside?

There are reports, awards, grants, etc. that Hillside participates in that require accurate information regarding volunteer participation. All your time spent working on school projects from home count as volunteer hours for our school!

Please use this sheet to record the at-home hours you have contributed to our school and students. Please turn the form in the Volunteer Form tray next to the volunteer computer OR complete form on-line and email the completed form to Jamie Yakish at yakishj@bellsouth.net.
